

Game Crop Development Programme 2019

The GGHA makes available financial support towards the cost of sowing suitable game crops to affiliated clubs who participate in the GGHA Predator Control Competition AND submit Bag Return Forms.

A budget of " 4000 annually is allocated to the programme and this funding is provided to subsidise the cost of seed, fencing material, fertiliser and where appropriate, machinery hire to a maximum of 50% of the overall cost. All claims for ancillary costs (fencing material, fertiliser and machinery hire) MUST be accompanied by appropriate original official receipts.

There is also a provision for a once off development payment, approval for which must be sought in advance from the GGHA Executive.

Please note that the maximum financial assistance payable to any one club is " 500 per annum and where the overall annual programme budget is exceeded, the support will be paid out on a pro rata basis across all clubs who qualify for grant aid.
