

Game Crop Development Programme

The GGHA makes available financial support towards the cost of sowing suitable game crops to affiliated clubs who participate in the GGHA Predator Control Competition AND submit Bag Return Forms.

A budget of €4000 annually is allocated to the programme and this funding is provided to subsidise the cost of seed, fencing material, fertiliser and where appropriate, machinery hire to a maximum of 50% of the overall cost or a max of €500 per club this will include the 50% discount the GGHA apply to game crop mix . All claims for ancillary costs (fencing material, fertiliser and machinery hire) MUST be accompanied by appropriate original official receipts.

There is also a provision for a once off development payment, approval for which must be sought in advance from the GGHA Executive.

Please note that the maximum financial assistance payable to any one club is €500 per annum and where the overall annual programme budget is exceeded, the support will be paid out on a pro rata basis across all clubs who qualify for grant aid.

To ensure that suitable game crop is sown, as part of the programme the GGHA will supply the necessary seed directly to clubs. Completed signed and dated application forms must be received by the GGHA Game Development Officer on or before the stated deadlines.

The purchase price of this seed has been subsidised at a rate of 50% by the GGHA from the overall programme budget, and the available seed mixtures are:

- **Wild Bird Cover Delight** (a mixture of Triticale, Linseed, Mustard and Phacellia available in 22kg/0.6 acre packs @ €13.50 each)
- **Standard Wild Bird Mix** (a mixture of Triticale and Linseed available in 18kg/0.5 acre packs @ €11.50 each)
- **Wild Bird Mix + Phacellia and Quinoa** (available in 18.5kg/0.5 acre packs @ €13 each)
- **Wild Bird Mix + Mustard and Gold of Pleasure** (available in 19kg/0.5 acre packs @ €13.50 each)
